Minibus Service

The Budapest Airport has an excellent, reliable, reasonably priced, door-to-door minibus service. Reservations can be made in person at the Airport Shuttle-Minibus Desks or 24 hours before your flight departure via online reservation system at www.airportshuttle.hu. A one way ticket costs around 12 EUR (subject to change).

For more information please check the [Minibus website](#).

Taxi

It is more economical to share a taxi than taking the minibus if several participants arrive on the same flight and are accommodated in the same hotel. [Click here](#) to read more about the Airport taxi.

Public Transportation [Click [HERE](#) for more information]

If you validate a ticket on the metro line, it remains valid for 60 minutes regardless of transfers from one metro line to another.
